to Earth

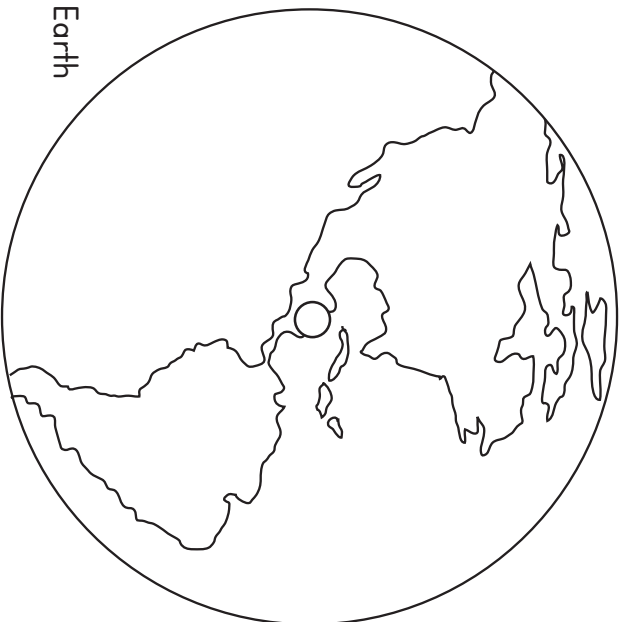

Glue  
this end  
to moon

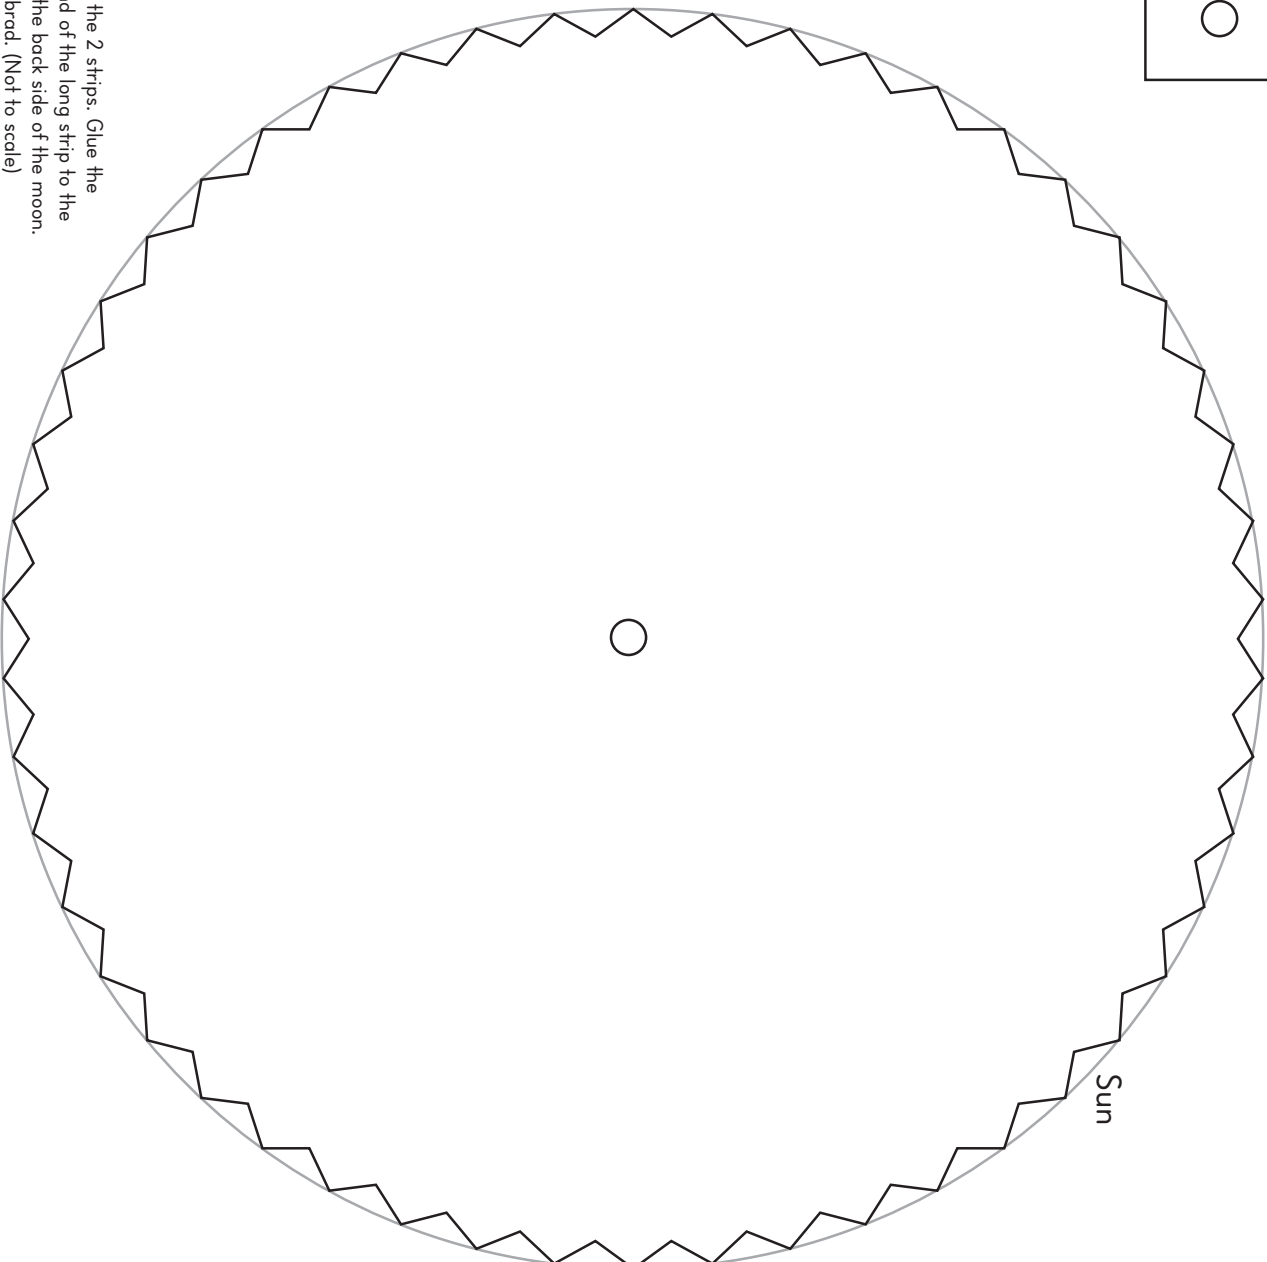

Moon

Earth

Sun

Have children color Sun, Earth and Moon, then cut them out, along with the 2 strips. Glue the end of the longer strip to the back side of the Earth. Attach the other end of the long strip to the center of the sun with a braid. Next, glue the end of the shorter strip to the back side of the moon. Attach the other end of the short strip to the center of the earth with a braid. (Not to scale)
